- The Majority of the Vandals players who wanted to continue to play, played with the Baymen

Jr Mens Rugby

3 Teams – Baymen, Dogs, Swilers

- Participation was hit and miss
- Swilers won Final over Dogs

High School Rugby – Boys

- Winners were Holy Heart – defeated Gonzaga in the final
- Ran a combined Metro and City League
- There was some excitement to the new format
- I am concerned that the scheduling proved to be a bit difficult as some schools were not prepared to start on time and this resulted in a large # of games being played on the back end of the Schedule. This needs to be sorted
- From a player Buzz perspective, I thought it was a success
